

# Electricity Price

| Oncor Delivery        |         |           |           |
|-----------------------|---------|-----------|-----------|
| Average Monthly Use   | 500 kWh | 1,000 kWh | 2,000 kWh |
| Average Price per kWh | 9.9     | 9.0       | 8.6       |

**These average prices are examples. Your average price for electricity service will vary according to your usage.**

The price you pay **per billing cycle** will include:

|   |                                                                                             |
|---|---------------------------------------------------------------------------------------------|
| 1 | The energy charge(s) below with applicable Oncor Delivery charges passed through at cost    |
| 2 | Applicable <b>non-recurring</b> fees from Oncor Delivery and/or from Infuse Energy          |
| 3 | All applicable taxes, fees and surcharges from ERCOT, the PUCT and any governmental entity. |

## ENERGY CHARGES

|                       |                                       |
|-----------------------|---------------------------------------|
| <b>Infuse Energy</b>  |                                       |
| Energy Charge:        | 2.471 cents/kWh                       |
| Base Charge:          | \$5.00 per billing cycle              |
| <b>Oncor Delivery</b> |                                       |
|                       | 5.6183 cents/kWh and \$4.23 per month |

Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Infuse Energy. Please review the historical price of this product available at <https://www.infuseenergy.com/rate-history/> or call 844-463-8732.

| Contract Term                                                                | 1 Month                                                                                                                                                                                                                                                                                                                                                                                                 |
| Do I have a termination fee or any fees associated with terminating service? | No                                                                                                                                                                                                                                                                                                                                                                                                      |
| Can my price change during my contract period?                               | Yes                                                                                                                                                                                                                                                                                                                                                                                                     |
| If my price can change, how will it change and by how much?                  | The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. |
| What other fees may I be charged?                                            | You will incur a fee of \$5.00 per billing period if you are not enrolled in Autopay. Information on other charges and non-recurring fees is available in the Pricing and Possible Nonrecurring Fees sections of the Terms of Service document.                                                                                                                                                         |
| Is this a pre-pay or pay in advance product?                                 | No                                                                                                                                                                                                                                                                                                                                                                                                      |
| Does Infuse Energy purchase excess distributed renewable generation?         | No                                                                                                                                                                                                                                                                                                                                                                                                      |
| Renewable Content                                                            | 100%                                                                                                                                                                                                                                                                                                                                                                                                    |
| The statewide average for Renewable Content                                  | 35.2%                                                                                                                                                                                                                                                                                                                                                                                                   |
