| Do I have a termination fee or any fees associated with terminating service? | Yes; you will incur a \$150 fee if you terminate your service prior to the end of the contract term. No termination fee with proof of a move-out.                                                                                                                                                                                               |
| Can my price change during my contract period?                               | Yes                                                                                                                                                                                                                                                                                                                                             |
| If my price can change, how will it change and by how much?                  | Your price may be adjusted to reflect changes in TNMP charges; changes to Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside Infuse Energy's control. |
| What other fees may I be charged?                                            | You will incur a fee of \$5.00 per billing period if you are not enrolled in Autopay. Information on other charges and non-recurring fees is available in the Pricing and Possible Nonrecurring Fees sections of the Terms of Service document.                                                                                                 |
| Is this a pre-pay or pay in advance product?                                 | No                                                                                                                                                                                                                                                                                                                                              |
| Does Infuse Energy purchase excess distributed renewable generation?         | No                                                                                                                                                                                                                                                                                                                                              |
